MERCHANDISE TRADE PERFORMANCE WITH MAJOR TRADING PARTNERS, 2024

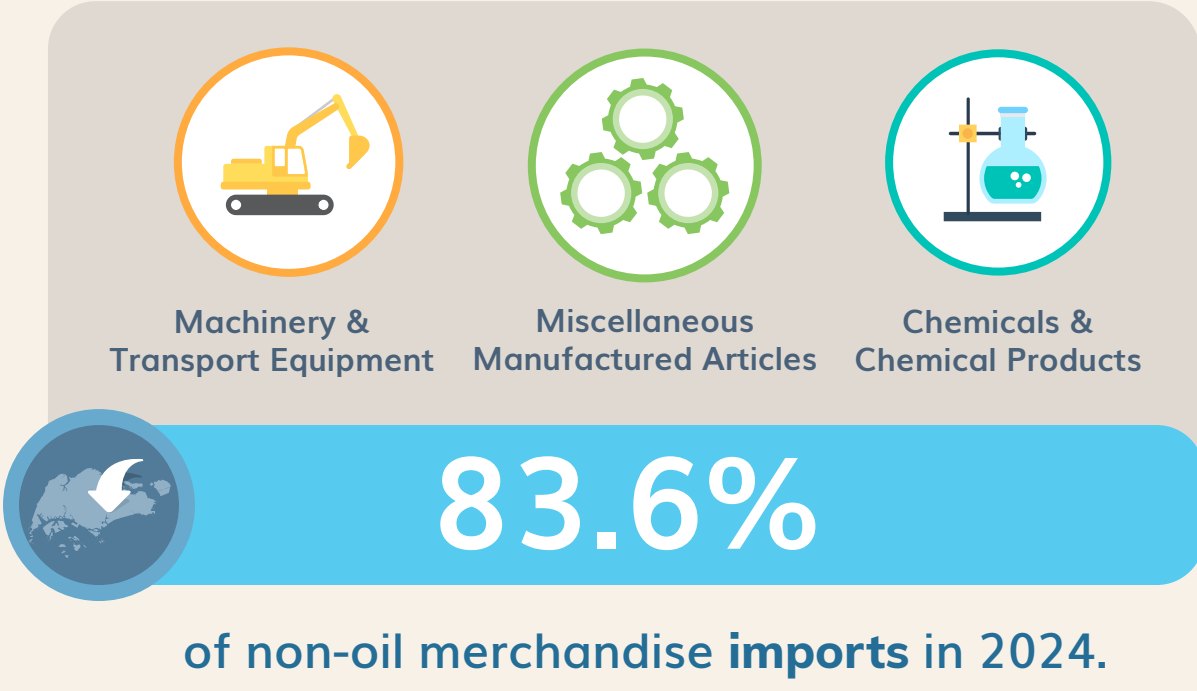

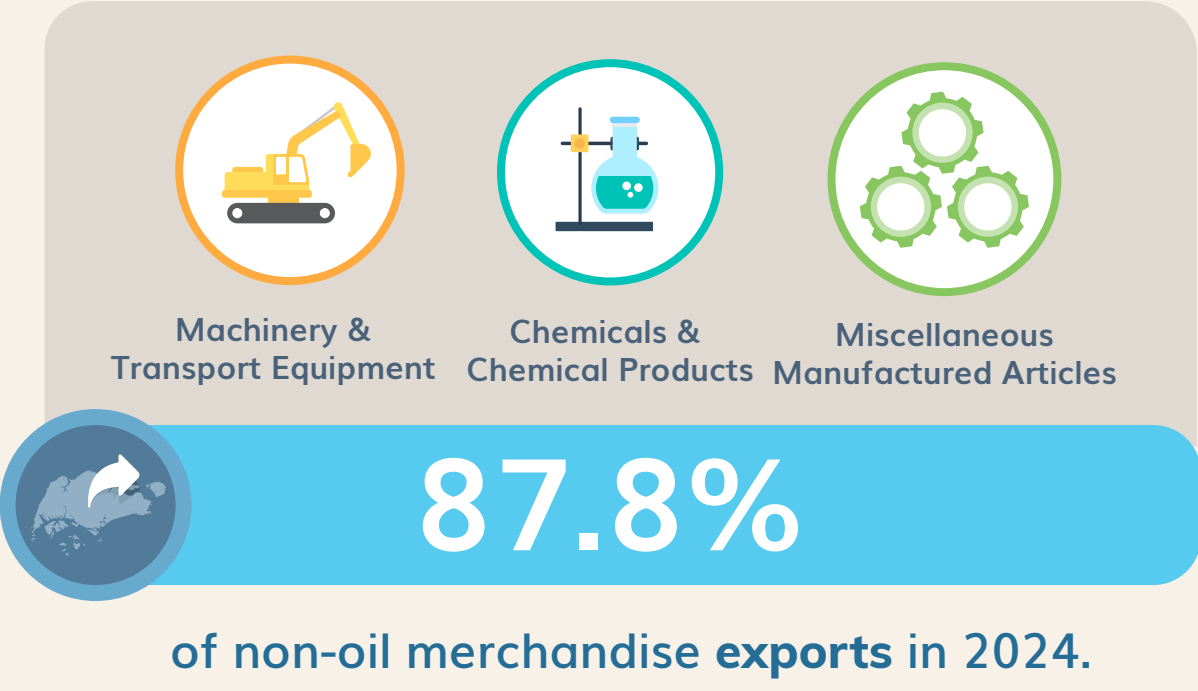

Note: The size of the bubbles reflects Singapore's total merchandise trade value with the trading partner. If the centre point (white circle) of the bubble falls in the blue region, it indicates that Singapore's imports from the trading partner exceeds Singapore's exports. If the centre point of the bubble falls in the green region, then Singapore's exports to the trading partner exceeds Singapore's imports.

i In 2024, Mainland China, Malaysia and the US were Singapore's top trading partners. Singapore's exports to Mainland China and Malaysia exceeded Singapore's imports to these two trading partners, while Singapore's imports from the US exceeded exports to the US.
